- Help manage the rebranding of a new generation of products
- Created 16 sales documents (50-100pgs each) for the launch of 8 new products in an 8 month time frame
- Oversee the production of multiple teardown videos
- Create & edit videos as needed
- Co-created & implemented best work-flow processes for quality control & creative project management
- Work with internal & external agencies to make sure projects are on time, within brand guidelines & the information is presented in a well-designed, easy to consume format

FREELANCE CREATIVE DIRECTOR, 2014–PRESENT

SHELL, TGI FRIDAYS, WHATABURGER, KETO SMART SKIMMER

Conceive, develop, & execute designs for contracted clientele. Manage printing & installation of large-scale graphics, event space design, signage, & promotional items for clients. Assist clients with application design & additions, web page designs, branding. Appropriately manage workload of multiple projects simultaneously to ensure clients' needs & deadlines are met.

- Concepted & edited :15 FaceBook video that garnered 4 sales in 1 week of a \$400 product. More sales than their previous video made in 1 month.
- Selected by Shell's marketing & communications manager to exclusively work on her critical projects & praised for successfully navigating design challenges & project obstacles while maintaining brand standards.
- Serve as the go-to designer for TGI Fridays & Whataburger for their franchisee & corporate events for 5+ years due to meticulous file management system & consistent delivery of creative designs that seamlessly translate to multiple mediums & tactics.
- Consistently contracted to complete additional projects attributed to sharp attention-to-detail & focus on client relationships & strong ability to understand client goals & communicate strategic design decisions at all levels of an organization.

FREELANCE HEAD OF DESIGN, 2013–2014

KIMBELL ART MUSEUM

Collaborated with the museum on a full-time, remote contract basis to conceive & deliver promotional branding projects. Designed print & outdoor advertising, large-scale display graphics, environmental signs, event invitations, museum brochures, direct mailers, email campaigns, & digital correspondence. Partnered with the director of marketing to plan external campaign materials & exhibition informational pieces for museum visitors. Maintained consistent communication with museum partners

- Facilitated flawless transition between previous head of design & ensured alignment with branding across all design.
- Re-established cohesive branding & design for all elements including annual magazine adhering to strict branding & design guidelines.

FREELANCE ASSOCIATE CREATIVE DIRECTOR, 2012-2013

MARY KAY

Directed the strategic \$1.2M redesign project of over 40+ sales force materials for global sales team. Led a team of five to complete all facets of project within assigned deadlines. Designed new shipping boxes, up to 60-page how-to guides, 20-page supplemental guides, DVD cases, & order forms. Assisted with the production of product knowledge & how-to videos.

- Selected to design & produce the organization's first global gift guide, holiday video, & produce a quarterly magazine due to exceptional leadership & execution of redesign project.

FREELANCE GROUP ART SUPERVISOR, 2010 to 2011

DIGITAL DRAFT/FCB – NEW YORK, NY

Cross-functionally collaborated with accounting, project managers, information architects, & developers to conceptualize, design & manage projects aligned with client goals. United print & digital design concepts with respective teams to maintain alignment with campaign strategy & brand standards as digital marketing grew & evolved.

- Recruited by the chief creative officer for exceptional work at GSW Worldwide.
- Launched the print & digital campaigns for major pharmaceutical roll-outs including Plan B One-Step & HIV medication.

PROFESSIONAL EXPERIENCE, CONT.

ART SUPERVISOR, 2007 to 2010

GSW WORLDWIDE – NEW YORK, NY

Guided the creative team in the development of branding & marketing campaigns for the firm’s clientele. Managed projects interdepartmentally with supervisors, vendors, & stakeholders to drive consistency, accuracy, & compliance with client goals. Created business development strategies for clientele through the introduction of new methodologies & tactics. Selected team including photographers, directors, stylists, & cast for photoshoots & productions. Assisted in the production of commercials with hands-on direction during film & editing to ensure execution of tone & message of campaign. Developed & mentored junior creative team. Ensured adherence to all financial & deadline requirements.

- Elevated client’s outreach capability by influencing their decision to leverage Twitter using compiled data linked to their target audience.
- Introduced a QR code packaging strategy during its inception to help a client successfully drive revenue through improved reorder method for product users.

ART DIRECTOR, 2005 to 2007

DINOTO ADVERTISING – NEW YORK, NY

Exclusively managed the account for global luxury airline company. Led all aspects of the design process & partnered with account team, copywriters, & overseas vendors in delivering assets to meet domestic & international publication standards. Supervised junior art director & production assistant in the execution of campaigns.

- Conceived the EOS tag-line “Class One” to accurately portray the airline’s elevated accommodations for travelers to position them above competitor luxury airlines.
